Early Development Network (EDN) Services Coordinator, No Weekends!

Do you love babies and young children? Do you want to make a positive difference in the life of a young child? The successful candidate for this position will help parents of young children access educational, developmental, medical, and other services while advocating for the family. Visiting the homes of the young child is part of this position. Prefer experience in clinical case management with a degree relating to Early Childhood Education, Social Work, Family Resources, or Health Practices. Bilingual candidate in Spanish/English required. Candidates must be able to drive their personal car, have a valid Nebraska Driver's License, maintain liability insurance on personal vehicle, maintain confidentiality of client information, be able to work flexible or extended hours, and be able to physically access client homes and work with various family types. Knowledge of basic computer and word processing functions preferred.
